

Forest Edge Learning Federation

Respect, Grace and Courage

Parents' Update - 23rd January 2026

"A hero is an ordinary individual who finds the strength to persevere and endure in spite of overwhelming obstacles." Christopher Reeve

During assembly this week, we did some more thinking about our school value of courage. We listened to the story of the Lion and the Mouse and focused on how courage comes from the heart, rather than from physical strength or size. We reflected on how courage can be shown in a variety of ways and even though we might feel small we can all still do some really courageous things!!

Our 'Explore Term' has begun. During the Spring term we explore the world around us and head out into the great outdoors, with a strong focus on Science and Geography. Children are encouraged to observe, question, and investigate the natural environment, developing their curiosity and understanding of the world and building meaningful connections between classroom learning and real-life experiences. Don't forget you can find more information about our curriculum offer on our website [Forest Edge Learning Federation - A Curriculum that Cares](#)

Nationally, schools are currently seeing an increase in Emotionally Based School Avoidance (EBSA), 1 in 5 pupils reported feeling anxious about returning after the Christmas break. This level of anxiety can often be linked to disrupted routines, worries about learning or peers coupled with lower resilience during winter months. If your child is finding it difficult to come to school then please talk to us. We are here to listen and work with you to help your child feel safe, supported, and confident to re-engage with learning.

Thank you, as always, for your continued support. We look forward to another week of learning, growth, and courageous moments ahead.

Mrs Allen

Executive Headteacher

Breamore CE Primary, Hale Primary, and Hyde CE Primary Schools

Dates coming up - new dates underlined

- **Hyde - 29.01.26 - Bags2School**
