Parents' Update - 27th February 2026

"It always seems impossible until it's done." Nelson Mandela

As we return from the half term break, the children have come back focused, and ready to learn. It has been wonderful to see their enthusiasm in lessons, their positive attitudes, and also the kindness they show to one another.

There are clear signs that spring is on its way. Lighter mornings, brighter afternoons, and the first sight of daffodils reminds us that this is a season of growth. Our children continue to grow in confidence, independence, and resilience each day.

During our recent INSET day, all teachers and LSAs came together to reflect on and celebrate the progress and attainment of children across each year group. It was a valuable opportunity to look carefully at the achievements of our pupils and to identify the key targets that will guide our work this term. These professional discussions are so important in ensuring that every child receives the support and challenge they need to thrive.

Parents' Evening bookings are now open, and we strongly encourage all families to make an appointment. These meetings are an important opportunity to discuss your child's progress, celebrate their successes, and talk about next steps together. Working in partnership with parents makes a significant difference, and we greatly value these conversations.

Next week, our KS1 children will be visiting Blashford Lakes as part of their Geography learning. Experiences like this bring learning to life and allows the children to deepen their understanding of the world around them. Thank you for helping us to facilitate these experiences for our children. As you know, enrichment opportunities are a vital part of our curriculum because they develop curiosity, independence, and create moments that children can refer to during their classroom learning.

It's world book day on Thursday 5th March, we look forward to seeing which book your child chooses to bring in to show us and any costumes they wear if they wish to.

Thank you, as always, for your continued support. We look forward to a productive and fun half term ahead.
