Respect, Grace and Courage

Parents' Update - 17th April 2026

"The successful warrior is the average person with laser-like focus."

Bruce Lee

It has been a wonderful start to the summer term and it has been lovely to welcome the children back to school. The classrooms and playground have quickly filled with energy, enthusiasm and smiles, and it is clear that everyone has returned ready to learn. With exciting projects, trips and new experiences ahead, it promises to be a busy and rewarding term for all.

This week in our assembly time we have been thinking about the importance of focus. We listened to the story of Grace who learnt all about what focus actually means and how we can work hard to improve it. To help us practise our concentration skills, we played a fun game of *spot the difference*, which challenged us to look carefully and pay close attention to detail. It reminded us that when we concentrate on the right things, kindness and doing our best, we can make positive choices too.

This term is also our STEM term, where science, technology, engineering and maths will be at the heart of our learning. To kick things off, our Year 5 and 6 pupils enjoyed an exciting trip to the Winchester Science Museum, launching their project: *How can science help us achieve our dreams?* The trip was full of curiosity, hands-on exploration and inspiring ideas that will feed into their learning over the coming weeks.

Meanwhile, Year 3/4 and some of our Year 5/6 children have begun their swimming lessons. The sessions have already been filled with smiles, splashes and lots of fun in the water. It has been wonderful to see the children growing in confidence and making great progress already.

Finally, I wanted to let you know that due to a member of staff being absent this half term, I will be teaching at Hyde every Friday. This means that I will only be able to attend Celebration Assembly every other week. I will certainly miss celebrating with the children each week, but don't worry I will be kept up to date with all the children's achievements regardless.

Have a lovely weekend.

Mrs Allen

Executive Headteacher

Breamore CE Primary, Hale Primary, and Hyde CE Primary Schools

Dates coming up - new dates underlined

- **Breamore - 21.04.26 - Buttercups - Library Visit**
