Respect, Grace and Courage

Parents' Update - 19th June 2026

"The time is always right to do what is right."

Martin Luther King Jr.

This week in our assembly, we explored the idea of showing grace through the lens of the World Cup. Football has a remarkable ability to bring people together. While not all countries always see eye to eye, sport can create moments of unity, respect and shared celebration. We discussed how we can show grace both in victory and defeat, treating others with grace and respect regardless of our differences. These are important lessons that extend far beyond the football pitch.

Sports Day was, as always, a highlight of the school year and remains my favourite day of the year. It was wonderful to see our children demonstrating our school values so clearly throughout the day. There was excellent determination, teamwork and perseverance on display, but what stood out most was the way children encouraged and supported one another to achieve their best. Whether competing, cheering from the sidelines or helping a friend, the sense of community and positivity was truly inspiring. Thank you to all the staff, volunteers and families who helped make the day such a success.

On Wednesday evening, we were delighted to welcome so many parents to our Autism workshop led by our Autism Ambassador, Mrs Fern Giles. Drawing on her experiences both as a mother and as a teacher, Mrs Giles shared valuable insights into living with autism and offered practical advice to support understanding and inclusion. The evening was informative, thought-provoking and warmly received by those who attended.

Thank you to everyone who has already completed our homework survey. Your feedback is incredibly valuable as we review our current approach and consider future developments. If you have not yet had the opportunity to complete the survey, I would encourage you to do so.

As we move into another busy week, thank you for your continued support. Together, we continue to help our children grow into thoughtful, compassionate and confident young people who are prepared to stand up for what is right and make a positive difference in the world.

Have a wonderful weekend.
