Parents' Update - 12th June 2026

"Disciplining yourself to do what you know is right and important, although difficult, is the high road to pride, self-esteem, and personal satisfaction."

*Margaret Thatcher*

This week has marked important milestones for many of our pupils. Our Year 1 children have completed their Phonics Screening Check, while our Year 4 pupils have finished their Multiplication Tables Check. We are incredibly proud of the effort, resilience and positivity the children have shown throughout these assessments. A heartfelt thank you goes to our dedicated staff for their hard work in preparing and supporting the children so thoughtfully. Well done to all of our pupils, we are very proud of you.

As we continue our STEM-focused term, it has been fantastic to see children embracing opportunities to think creatively, solve problems and work collaboratively towards shared goals. STEM learning encourages curiosity, resilience and teamwork, skills which are invaluable both in education and later life. Across the school, pupils have been exploring, designing and learning together, showing that some of the best outcomes come when we combine ideas and work as a team.

We are all very much looking forward to Sports Day on Monday, which is always a wonderful opportunity for our school community to come together and celebrate determination, teamwork and resilience. Whether running races, cheering on friends or simply taking part, Sports Day is a chance for every child to shine. We are keeping our fingers crossed for good weather and look forward to welcoming all our families to support the event.

The sunshine is set to reappear and make a welcome return this weekend. The brighter weather always brings with it a real sense of energy and positivity around school, with children enjoying outdoor learning, playtimes and opportunities to be active in the fresh air. We hope the sunshine continues into next week. Please don't forget to send your child in wearing sun cream and a sun hat.

Thank you, as always, for your continued support. I hope you have a restful and enjoyable weekend, and we look forward to seeing everyone next week.

*Mrs Allen*
