Respect, Grace and Courage

Parents' Update - 3rd July 2026

"Grace is giving someone the love they don't deserve because that's what they need."
Rick Warren

Our assembly this week focused on our school value of Grace. We spent time thinking about what it feels like when we make mistakes and need someone to give us another chance. We listened to the story of the broken window and reflected on the love and forgiveness shown by the old man who showed Grace to the boy who owned up. The children then shared their own ideas about how they can show grace to others.

Our EYFS and KS1 children had a wonderful trip to Hengistbury Head this week. They enjoyed exploring the beautiful surroundings, taking part in their learning activities and, of course, finishing the day with a well-deserved ice cream! Thank you to all of the staff and volunteers who gave up their time to make the trip such a success. Your support, care and enthusiasm helped create a memorable experience for our youngest learners.

Our Transition Afternoon took place this week, giving the children the opportunity to meet their new teachers, spend time in their new classrooms and begin looking ahead to the next stage of their learning journey. It was wonderful to see the excitement and enthusiasm as they explored their new learning environments and started to build relationships with their teachers.

Rehearsals for our Summer Concert are now well underway, and the excitement is certainly building! The children have been working incredibly hard learning songs and preparing their performances, and we are looking forward to sharing all of their talents with you. If you haven't already done so, please remember to book your tickets, we can't wait to see you there.

Thank you, as always, for your continued support. We hope you all have a lovely weekend and look forward to seeing you all next week.
