

Forest Edge Learning Federation

Respect, Grace and Courage

Parents' Update - 25th September 2026

"The best revenge is to be unlike him who performed the injury."
Marcus Aurelius

In our assembly this week we listened to the story of Maya and Jordan. When Jordan took Maya's building blocks without asking, Maya felt angry and upset. However, rather than retaliating or taking something of Jordan's in return, she chose to stop, step back and speak up respectfully. Maya showed us that we can choose a better response when someone has upset us. We talked about how, just like Maya, we can show self control, forgiveness and kindness, even when we feel angry.

Our Sports Ambassadors received their training this week and did a fantastic job. Miss Wansbrough was really impressed, saying: *"All the children were fantastic at Sports Ambassadors training. A real credit to the Federation."* A huge well done to all of our Sports Ambassadors for representing the school so brilliantly. We would also like to say a big thank you to Ladybirds class for being part of the training!

Next week, our Year 5 and Year 6 children are heading off on a trip to SeaCity Museum to support their learning about the Titanic. The children have already received their very own boarding passes, which has certainly helped to build the excitement and anticipation! We are looking forward to an interesting and educational visit that will bring their Titanic learning to life.

We are delighted that Forest School is now underway across the Federation. Our Forest School Leader, Miss Ray, will be leading our children in a range of exciting outdoor learning experiences. Forest School provides wonderful opportunities for children to develop confidence, independence, teamwork and resilience while exploring and learning in the natural environment. We are looking forward to seeing all the wonderful learning and adventures that take place!

This year, we are putting a real spotlight on attendance because being in school every day really does matter. Regular attendance gives children the best opportunity to learn, build friendships, take part in school life and make progress. We will be celebrating good attendance throughout the year and working together with our families to ensure that every child gets the very best from their time at school.

Have a lovely weekend, and we look forward to another exciting week ahead!

Mrs Allen

Executive Headteacher

Breamore CE Primary, Hale Primary, and Hyde CE Primary Schools

Dates coming up - new dates underlined

- Hyde - 28.09.26 - Bags2School
